CORRESPONDENCE.

Ve tio not hold ourselves responsible for the opinions distance present by our Correspondents.

THE DISADVANTAGES OF THE "CREDIT SYSTEM." TO THE EDITOR OF THE "DAILY PRESS." SIR.—It is neither my ambition nor intention to handle a subject which is beyond the scope of those that have a far better ineight into mer-

cantile affairs than I am ever likely to possess. I refer to the commercial credit system. But as everyone who has made his residence in this part. of the world for any length of time has a more or less extended acquaintance with the undesirable effects of what is known as the "chit system," I beg to make here a few remarks been issued to the effect that the city gates must especting some of its injurious consequences. Though these may be perfectly understood (and I have no doubt they are) by all classes of guards at the gates have also been enjoined to

people here wet considering the object my re narks have in view. I trust you will have the ndulgence to publish them in your valuable

Hongkong, where people are expected to be wide are actively sugaged on this work. awako about their interests, the majority of men, if not all of them, are in the habit of dealing with shopkeepers in a manuer which, accommodating and convenient as it appears at a first glance, is the direct source of an incalculable amount of harm to everybody concerned. There may be selves to be reduced by the seeming facilities afforded by this method of purchase, but when one sets to separating them from those who are not sensible enough to avoid the snares laid for them by the "chit system" it will soon by seen that the task is equivalent to that of searching for a needle in a boshel of chaff, the unfortunates so everwhelmingly outnumber the lucky few. Once admitted that the great majority of people are votaries to this custom, could it be doubted that there would be several among them who would hardly be capable of resisting the extravawas a ranged one and included several of the gant tendencies engendered by it? Let mogive an Shanghai pricketers. Their play at all times example by way of illustration. A man comes lacked in combination, though one or two, but as an assistant in one of the mercantile notably Groom and the younger Moule, were firms. Soon after his arrival he comes to underconspicuous for consistent all-round, work, stand that storekeepers are ready to furnish him and applause.) Should anyone be inclined to doubt the truth of this assertion: he can most consideraly satisfy himself by simply going to any of the thotels here, when he will not full to see in sight, which will sthoroughly disgust him in L. will fare it to the imagination of the readers to judge of the

isture of the goal to which such a real leads: And it is all due to this? chill system? For fear of timing the patience of the reader should I make a few more touches of the same nature, I beg to conclude this, not before, however, earnestly urging him to exert his atmost ealeavours to abolish the chit system, both for his own sukb and for that of his successors. lomplete success can only be encompassed by the co-operation of both buyer and soller.

a abani isais•Lagini leozy#CRPTIC Hongkong, 8th February, 1892.

OANTON: NOTES: #4 On the 3rd instant many local officials, including the Kwangehau Profect; the Number and-Phn vn Magistrates, were assembled on the East arade Ground to celebrate the anniversary of the Beginning of Spring. A, temporary structure was erected on the ground for the purpos . and a number of guards were placed there to keep order. The area round was very crowded with people who went there to wilness the funrtion. In the course of the community, however, a mob for some reason or other tried to disturb the peace and upon the interference of the guards. they attacked them in a body and likewise set fire to the matshel. They were soon dispersed, however, and several of them were agreeted: The weather here has been very cold and the sky vary cloudy. On the 3rd instant a warning of high wind was hoisted or the flag stuff of the Custom House premises and it actually turned out true, for, on the 5th instant a very strong wind set in, but fortunately it did no damage. .In consequence of many serious robberies. having been reported lately official notice has now be closed early in the evening and not be opened again until dawn the next morning. The

keep a sharp watch. on the 5th instant a fire occurred near the East Gate of the City, but only three or four houses were destroyed. Many of the houses burnt Some of your readers elsewhere will perhaps be down by the big fire reported recently are now surprised to learn that in a business centre like being re-built and a large crowd of workmen.

NOTES ON NEWS

Reuter announced vesterday the decease of one of the reast famous physicians of the day. found a few persons who do not permit them. The death of Sir Morell Maukeuzie will awaken remembrances of his remarkable connection with one of the greatest and noblest men of the contury, the late Emperor Frederick of Germany Apart from that Bir Morell Mackenzie. was not a figure upon which the world looked with any peculiar interest, because his position in his profession was more due to the force of accidental circumstances than to any special zenius. Yet this association with the one-time hope of Germany brought him prominently to the front; the story which he told of the tragic and fital illness of his distinguished patient attracted to him a large amount of attention. which has since then been continually decreasing. As a specialist in throat disease he was unquestionably a valuable authority, but in the other branches of m dical science and surgeon's skill The Regiment opened well and played a pretty with as many things on trust as it may suit his he was not of more than ordinary ability. shrities whose names have appeared in the obituary columns of the last few months, is suggestive of the fact that there has serroely during the present century been a period during which such a large number of famous men, whom the been obliged to introduce some alterations in every Englishman, of every true-born Britisher, emulation of their opponents. The match equivalent there and then, it is ten to one that world can ill afford to lose, has been carried from
